This year we will ask those who plan to attend to pre-register. This is the link to pre-register for the event:

The Property Team is moving forward with changing the church's security system. They have targeted the date of April 4th for the first day of the new system. The "traditional" keys to the church will no longer be operational on the external entry doors. At this initial juncture, those persons in leadership roles (Team Chairs, Property, Stewards, Custodial, Leadership, and paid staff) will be issued fobs. If you are outside of those designated areas and feel you need the use of a fob, please contact the church office and your request will be reviewed.

- Please note that the system will be programmed to allow access to the church for any scheduled meetings or events without the use of a fob.
- Also note that in order to receive a fob for any reason, you must submit and maintain current Criminal and Child Abuse Clearances. Your fob will not be activated until you have submitted these forms.
- The Property Team is requesting that you turn in any existing keys to the building unless you need them for interior door access.
- The Church Administrator will serve as the administrator of the system and will be in charge of scheduling and changes.
- Stay tuned for updates as they become available.

On Friday March 5 and Saturday March 6, the popular women's conference, IF:Gathering will take place and we are going to take part once again! As you might guess, this year our participation in IF will necessarily look different—the event will be **FULLY VIRTUAL**. That's right! You can watch IF:Gathering in the comfort of your own home with your favorite fuzzy blanket and plenty of hot chocolate.

This year, the theme of IF: Gathering will be be **“Even If.” ...Even if the worst happens, we won't lose hope.**

If you'd like to register, please contact Laura Meiser (laura@hempfieldcob.org or 717.689.0465) and she will help you with the registration process. There is NO cost to join this event as RightNow Media has graciously made this event possible for us. Feel free to invite others as well! What a great opportunity to worship God corporately in this strange time!
