This year in June, we have the privilege of hosting Friends Together Week here at Hempfield. This is a week where we partner with Friendship Community, to provide a camp experience of music, crafts, Bible stories, and much more. Friendship Community is a ministry in Lancaster country, meeting the needs of individuals with

Intellectual Disabilities and Autism. We need your help. Many of the campers have a caregiver with them, but we want camp to be a personal experience for each individual. We are looking for people to come and help. We need buddies for each camper, who will partner and participate in all activities. We are also looking for kitchen help, as lunch and snacks are provided each day. Camp is June 19-23, from 9:30-2:00. If this is something you might be interested in, please let Bev Moyer (717-468-8311) know and she can answer any questions for you. Thanks for your consideration.

Calling all softball fans!
