This is a meeting for anyone interested in volunteering at Bible2School next year. There are plans to start a 2nd grade class for Brecht elementary school, and 5th and 6th grade classes for Landis Run. These will both be new projects and will require many volunteers. Openings are still needed in some of the established schools also. Please attend the meeting if you have any interest at all. This is for men and women to share their faith with children attending Manheim Township schools.

Do you have the gift of organization, planning, or project knowledge? We are looking for a group of individuals to continue the children's dream of updating the playground. This team will be tasked with visualizing, planning, and presenting a plan for updating the outdoor facilities. Please contact Donna Reed if you are interested.
