# Sermon Notes

Do you have the gift of organization, planning, or project knowledge? We are looking for a group of individuals to continue the children's dream of updating the playground. This team will be tasked with visualizing, planning, and presenting a plan for updating the outdoor facilities. Please contact Donna Reed if you are interested.

The Education Team, on behalf of the congregation, is pleased to announce that the 2023 Education Grant is going to Laura Meiser for her continuing theological study.

We will collect the '2-Cent-A-Meal' offering today, June 11th for the **Global Food Initiative (GFI)** program. This program is the primary way that the Church of the Brethren assists hungry people developing food security around the world

Financial / Ministry Statement

Year-to-Date Actuals vs. Budget\***

From Bible 2 School: "Thank you for your generous donation. God continues to bless our ministry in such amazing ways and **YOU are part of our story**. We thrive on Godstories - little glimpses of God working through our ministry: A 4th grade boy who came for the first time seemed confused when his small group talked about Jesus. His leader saw his confusion and said, 'Would you like me to tell you who Jesus is?' And with big eyes this little boy leaned forward and said earnestly, 'Yes, I would REALLY lie that!'"
