Patterns of Evidence: Journey to Mt. Sinai 1

Timothy Mahoney

The Patterns of Evidence: Journey to Mount Sinai continues to raise big questions as filmmaker Tim Mahoney set out to complete his 20-year investigation. Can evidence for the mountain where Moses and the Israelites met God still be

found after 3,500 years? With doubts about the case for the traditional Mount Sinai location, Mahoney employs his trusted Patterns of Evidence approach and the Mount Sinai Scorecard to the final Mount Sinai candidates.

Women's Camp 2024

Playground Rules

Luke 22:26

26 But you are not to be like that. Instead, the greatest among you should be like the youngest, and the one who rules like the one who serves.

Gail Rishel Koskela will help us all revisit the playgrounds of our youth. We will be exploring the squabbles of the disciples and how Jesus gently and sometimes with a bit more of an edge let the disciples know when they were “acting like children” and when they should follow the lead of children.

[Women's Camp 2024 \(constantcontactpages.com\)](https://constantcontactpages.com) to register and download medical forms.

Thank you to the person(s) who gave a very generous donation to the Quilting Group! Your thoughtful gift will help purchase the needed “materials” to create more blankets that will bless others. THANK YOU SO MUCH!
