DEACON EMERTIUS

The term “emeritus” comes from Latin and means “one who has earned their discharge by faithful service”.

At Tuesday evening’s Deacon meeting, with much regret, we accepted Doris’ resignation. Such a most deserving person

to earn the title! Along with her husband Ray, they were called to be our deacons some forty plus years ago. They accepted and followed God’s lead and in her own words says, “It has been a wonderful journey”. We want to thank her for the many years of service she has given to the church, not only as a deacon, but as a faithful, loyal, gentle and caring individual to many people. Although she will no longer be attending our meetings, she will remain behind the scene in compiling the yearly Sunday morning list of greeters and scheduling nurses for monthly blood pressures checks. Please join us in thanking her for many years of servant hood.

It is that time of year for Hempfield COB to remember our fellow members and friends at local retirement communities and those closed in at home. We want to send all of them Christmas wishes through our traditional “postage free” box. The Deacons will deliver the cards along with Christmas goodie bags on December 14th.

A list of recipients is on the reverse of this notice and also extra lists are provided for you on the Narthex table. Please alphabetize and rubber band your cards to make sorting easier. Place your cards in the large box found under the table in the Narthex by December 8th so that all can be delivered together.

Thank you for participating in sending Christmas blessings this year!
