Sunday School This Week:

That happens when you take 2,000 years of a Christian tradition, capture the heart of it, and reimagine it? Whether you're a veteran of observing Lent or a rookie who is jumping in for the first time, you can join thousands of people for an experience that just may surprise you.

It's simple. You watch a short video on Ash Wednesday that kicks the whole thing off. Then, each Sunday until Easter you will watch a short video that will give you your Lent Experience challenge for the week. The challenges are based on things that have been a part of Lent for centuries. Your participant journal is loaded with everything you need to learn more about Lent and to successfully complete each week's challenge.

called to help: prayers for the event and those in attendance, candy for stuffing the eggs, small Dollar Tree prizes, and people to serve that morning in a variety of ways. Check out the table in the narthex for more information and to grab some flyers to hand to your neighbors or friends.
