Come back again!!

The book of Judges cracks a window into depths of the human soul. Watch a nation struggle with its identity and relationship to its God. Heroes and heroines arise, who seem to have the potential to save Israel. But in the end, each proves to be a broken savior that cannot deliver.

In this series, pastor and author J.D. Greear wades into the book of Judges to shine a light onto the muddy waters of human rebellion. The stories and truths within are not just archaic tales with no relevance for us today. Rather, J.D. works through each chapter unpacking the truth of God's grace in the midst of human wickedness, and shows how only the divine can redeem the fallen.

July 12 – Judges 19-21

NEW STUDY

In the pages of Matthew's Gospel, we find the tax collector-turn-disciple present to us a snapshot of the life and teachings of Jesus.

This certainly is not a complete biography

nor an exhaustive collection of Jesus' teaching. Instead, we will be looking how Jesus' words transformed the lives of people in his day and how they can impact our modern day lives and faith.

July 19 – Matthew 3:13-4:11 **Affirmation**

July 26 – Matthew 4:12-25 **Invitation**

Aug. 9 – Matthew 5:13-20, 43-48 **True Righteousness**

Aug. 23 – Matthew 7:15-29 **Authority Acknowledge**

ALL PROCEEDS WILL BENEFIT THE OUTREACH PROGRAM

Join us for a summer book study! This summer we will explore the book *Imagine the God of Heaven: Near-Death Experiences, God's Revelation, and the Love You've Always Wanted* by John Burke.

John had a successful career in engineering but was skeptic to the core. He always looked at life through a scientific lens but as he explored near-death experiences,

he began to see the bigger picture of a loving God who desires to be in community with His people. John was so impacted by this realization that he left the engineering field, became a pastor and planted a church. As we study this book, "you will realize that God is the love you've always wanted, and his power, compassion, friendship and guidance are closer than you could ever imagine."

More details:
